THE CAREER AND TECHNOLOGY EARLY CHILDHOOD EDUCATION ADVISORY GROUP

CTE ECE INSTRUCTORS, STAFF FROM MDOE, OCFS, AND MRTQ PDN

Credentials & Curriculum Enhancement:

Evaluation and Analysis of Shared Resources,

What is Needed, & How to Support our Future Workforce

A Stronger Alignment with Maine Roads to Quality Access to more Professional Development for Teachers and Students

Hands-On Materials for more SEL work

Pilot: Teachers tested modules from the IRIS Center to use with their students.

IRIS CENTER

CTE ECE Teachers and Students had a chance to attend Conferences

CTE ECE Programs received $2,500 per program to support adding SEL materials for their students to enhance their learning experience.

The Work Continues:

The Advisory Group will continue this valuable work after the grant ends. We are grateful to the teachers participating in this important work!
