To: Commissioners of the Ethics Commission

As Concerned Citizens, we respectfully object to the minutes under 1. Ratification of the Minutes of the March 31 and April 26, 2011 Meetings (only), under Other Business, Agenda Item # 10, Request for Investigation by Joseph and Michele Greenier. We are submitting corrections of the April 26, 2011 minutes as follows:

(1) One of the first things that is missing from the minutes was brought up by Ms. Matheson, the Acting Chair was she claimed this case was resjudicata in defense of Roger J. Katz and for the commission, so they would take no action. The commissioners job is to enforce the Maine Clean Elections Act.

(2) On page 20, Mr. Wayne refused to interview Mr. Greenier and refused to acknowledge the personal interview that Mr. Greenier and Paul Lavin had and phone conversation between Mr. Greenier and Gavin O'Brien. Mr. Wayne claims there are no notes regarding these conversations, which violates the Freedom of Information Act (FOIA).

(3) On the bottom of page 20, it refers to Freedom of Information Act (FOAA) in two sentences. The correct abreviation for Freedom of Information Act is FOIA.

(4) On page 21, we disagree with the minutes which states, "Mr. Wayne said everything Mr. Greenier asked for has been provided and the staff has not withheld any information from him." We did not get everything we requested under FOIA.

(5) On page 21, about the middle of the page it states "Maine Screen Printing (MSP). For correction, the company name is Modern Screenprint.

(6) Mr. Greenier asked this commission to correct the record and campaign finance reports by Roger J. Katz, which is not refleded in the minutes.

CORE VALUES FOR MAINE
Respect
Honesty
Compassion
Fairness
Responsibility
Courage

(7) During the meeting, Mr. Greenier brought up reconsideration which is not in the minutes.

(8) Roger J. Katz was given the same paperwork as the commissioners and he didn't object or deny the Greenier's findings.

(9) Mr. Greenier told the commissioners that this is our findings, what you decide is on you is not included in the minutes.

(10) On page 22, near the bottom of the page it states a Modern Screen Print". For correction, the name of the company is Modern Screenprint.

(11) On page 22, it states "Mr. Greenier said he did not have such an invoice." The fact is Mr. Greenier had the invoice, but he couldn't find it in the meeting. He found the invoice after the meeting. Enclosed is the Invoice from Modern Screenprint dated 5/3/2010, which states "Ship to: Buddy Doyle 18 Vine Street Gardiner, ME 04345," for your review. Mr. Greenier has an invoice that says Ship to: which is not included in the minutes.

(12) In conclusion, we reserve the right to correct any of the Ethics Commission records. We are requesting the commissioners to add this as additional materials, for correction of the minutes. Please accept these corrections of the record, for the minutes of the meeting, April 26, 2011. We thank you for these corrections, to more accurately reflect the minutes.
