Dear Mr. Franklin Jonathan Wayne,

We are requesting accommodations under the Americans with Disabilities Act (ADA), the Whistleblower's Act and our religious beliefs, to put the Roger Katz complaint first on the Agenda at 9:00am or one of the first items on the Agenda, scheduled for April 26, 2011. By scheduling it last on the Agenda, it assures that Roger Katz will not attend, due to legislative obligations. The legislature starts at 10:00am. The only time Roger Katz showed up was on January 27, 2011, for about 5 minutes, for the last on the Agenda. You informed him that he didn't have to show up on February 17, 2011 and it was cancelled on March 31st, because of Roger Katz's claim of legislative stuff. Mr. Greenier was prepared to testify on February 17, 2011, but he wasn't allowed to talk. Every meeting, this complaint has been scheduled last on the Agenda, to accommodate Roger Katz. Due to legislative session, we know Roger Katz won't show up, if the complaint is scheduled last on the Agenda, for the same excuse.

Due to our request for accommodations, if Roger Katz is not planning on attending, we are requesting you to obtain a subpeona, to attend at 9:00, so he will testify under oath. Mr. Greenier is requesting to testify on this matter. He's been denied since Febuary 17th meeting, to testify on this complaint. Whenever you are scheduling your Agenda, please schedule us first. This would accommodate everybody. Also, too much false information has been put up on the website and on the record. The violations of the 1011 1125(6) and 1127(1) have been deliberately left out of the original Agenda #9.

Thank you.

Concerned Citizens.
