*Every operator of a motorboat, other than a licensed Maine Guide certified in water safety, carrying passengers for hire, except those operators who have or are required to have a federal operator's license, must obtain a Maine Motorboat Operator's License. This license is not valid on waters under federal jurisdiction, such as coastal waters or navigable inland waters of the United States. Contact the U.S. Coast Guard in Boston, (617) 565-9040 if you operate a motorboat for hire on federal waters.

**All new Maine Motorboat Operator license applicants must complete this application. Mail the application and the $1.00 fee to Inland Fisheries and Wildlife office in Augusta. The applicant will be required to pass a written exam containing about 50 questions. You will need a passing score of 70% before a license can be issued.
