CJ Saufley

ORDERED,

That That the State Controller increase the allotment in account 013-40A-0063-01, Supreme, Judicial and Superior Courts, by $200,000 in the All Other category for the purpose of allocating costs to the Child Support Enforcement program; and

Be it further ordered,
That the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2015", for which this shall be our sufficient warrant.

Statement of Fact

The Judicial Branch recently developed an indirect cost rate to capture administrative and facility costs associated with the Child Support Enforcement federal program. This resulted in an increase in reimbursable costs. This financial order increases the allotment to allow for that increase.
