Superintendent of Insurance Eric Cioppa issues this Order Regarding Rate Revisions to the carriers in the above-referenced proceedings. Although the Superintendent had previously announced in Bulletin 410 that "Revisions to rate submissions are acceptable up until July 22, 2016," that deadline is hereby modified to conform to the July 15, 2016, pre-filing deadline in these proceedings, to maintain the Bulletin's purpose of providing a single, uniform deadline applicable to all carriers. Each carrier may include revised rate submissions as part of its pre-filed case submitted on July 15 in response to issues that arose during the discovery process, but

Anthem, Aetna, Health Options, and Harvard/HPHC are hereby advised that no carrier may initiate a rate revision after that pre-filing deadline.[1]
