***NOTE: Working with our Wildlife**

Many people want to volunteer directly with our wildlife. Because of liability concerns, we are not able to have unpaid staff or volunteers work directly with or around our wildlife. However, by volunteering at the park, you'll learn a lot more about our resident animals!

*****Volunteers under the age of 18 must be accompanied and supervised on their tasks by an adult parent or guardian*****

******Volunteers working with cash handling subject to full background check******
