PRE-QUALIFIED FOR Architectural  
STATEMENT BY FIRM Building Envelope Specialists Inc. is a full service consulting firm specializing in the analysis and diagnosis of building envelope issues. Our interdisciplinary firm applies extensive experience and professionalism in handling and managing exterior building envelope problems throughout the built world with sound, practical, and effective solutions. Our offices are located in South Portland and Winslow, Maine to better respond to our client's needs. From new construction to historic preservation, we use our decades of experience investigating building envelopes, to solve problems, provide appropriate solutions and manage the construction process. It is our experience, technical excellence, professionalism and integrity that make Building Envelope Specialists an outstanding and distinctive firm.
