PRE-QUALIFIED FOR Civil engineering

STATEMENT BY FIRM Gorrill Palmer is an integrated land development, transportation and municipal engineering firm. We have been providing quality professional service to clients throughout New England since 1998 and the Mid-Atlantic area since 2013. Since our founding, Gorrill Palmer has been consistently recognized for our expertise, experience, and responsiveness, resulting in outstanding value for our clients. At Gorrill Palmer, we have created a work environment built upon integrity, skill and service. Our team includes individuals with expertise in transportation planning and engineering, municipal engineering, site design and civil engineering, project permitting and construction observation. With offices in Maine and Virginia, Gorrill Palmer's committed staff is well respected for our attention to detail and ability to consistently deliver high quality, innovative and cost-effective designs to our clients. We know that a project's success is built on a thorough understanding of clients' needs. We are distinguished by our accessible and responsive staff and our practice of integrating one or more of our principals on the project teams of each and every design and engineering project we service. Positive, results-driven relationships are a priority for the entire Gorrill Palmer team – relationships with clients and relationships with the regulatory and other critical agencies and groups with whom we work.
