PRE-QUALIFIED FOR Architectural

STATEMENT BY FIRM Scott Simons Architects is an innovative, multi-disciplinary design firm with 20 years of experience working with institutional, municipal, cultural, and educational clients. SSA has worked on feasibility studies, master plans, renovations of existing buildings and new building designs. Our sustainable design approach results in innovative high performance buildings, as well as exceptional cost savings. Our complete portfolio includes master plans, such as the Portland Museum of Art, the design of new facilities, including Coastal Maine Botanical Garden Education Center (LEED Platinum, Net-Zero), Waynflete Arts Center (LEED Silver), Ocean Gateway Garage, and the MDOT Fleet Services Garages. We have designed renovations and additions to Hanscom Hall at Gould Academy, Freeport Community Center, Knox County Courthouse, and Yarmouth History Center. We are currently designing a new gymnasium for Lisbon High School and a new residence hall for the Bigelow Laboratory for Ocean Sciences.
