PRE-QUALIFIED FOR Landscape architectural  
STATEMENT BY FIRM Shadley Associates, P.C. is a Massachusetts based landscape architecture and site planning firm and a MA-certified WBE. Established in 2003, Shadley Associates (SA) is a Maine certified DBE serving both private and public sector clients in all design phases, from planning through construction phase services. Serving clients throughout New England and the Midwest, Shadley Associates assists both private and public sector clients in all design stages, from planning through construction phase services. The firm is led by two principals, JP Shadley and Pamela Shadley, both of whom have 30 years of experience. Shadley Associates specializes in designing plazas, building entrances, streetscapes, waterfronts, schools and universities, private residences and public parks.
