Y-Status Applications

POLICY: It is the policy of the Maine State Board of Nursing that licensees who submit a timely and sufficient application for renewal of licensure requiring further review, shall be placed on a pending renewal status under 5 M.R.S. §10002, allowing the Licensee to continue to practice past the current expiration date. Upon receipt and review, Board staff will make the Licensee aware of any additional information required for review. The Licensee shall submit all requested documentation within two (2) weeks of the request. Should the Licensee be unable to fulfill this request, the Licensee shall submit a request for extension in writing. Should Board staff not receive the requested information, or a request for extension, within two (2) weeks, the application will be reviewed by the Board at its next scheduled meeting.
