Dear Dr. Jacobsohn:

This follows my telephone call to you on January 4, 1978, and is to let you know that Joseph Kenneth Juda, discharged from AMHI on December 30, 1977, has voluntarily surrendered his practical nurse license to the Board of Nursing. Please note on the enclosure that Mr. Juda has authorized the Board to obtain information from AMHI. If this authorization is sufficient, would you please send to us his history.

Sincerely yours,

MAINE STATE BOARD OF NURSING
