

## MCSC Strategic Planning Meeting June 7 9:30-3:00

Goal- To set goals for the coming year and craft an action plan for each one.

### Homework

- Commission members to complete and return a self-assessment survey by May 20;
- Read State of the Commission report from Bob and Gina (successes and needs going forward from a staff perspective);
- Review data-driven profile of our group of charter schools;
- Ask MACS for their suggestions for goals for MCSC and how MACS could assist in achieving them

Using the materials and survey results as a springboard, each Commission member will come to the planning session with a list of his/her top priorities for the coming year (a maximum of four).

The workshop agenda is:

9:30-10:15

- brief overview of the day's objective;
- general reaction to what the preparation materials reveal;
- each participant shares her/his written list of priorities with a very brief elaboration/explanation

10:15-12:00

- divide into four-person groups;
- each group to shape the macro-list of priorities into a list of no more than five;
- share with the full group and harmonize into a unified list of no more than five

12:00-12:30 Lunch

12:30-2:30

- complete the harmonization process as a full group (if needed - no more than 15 minutes)
- return to small group format to create tentative action plans for each goal

2:30-3:00

- Each group present their action plans and debrief as time permits
- Identify potential budget impact of action plans
