You may remove my name from the mailing list, as I have not been on the Snow Pond board for quite some time. Anne Hammond is the chair now, and is doing an admirable job!

Thanks.

Subject: FW: Charter schools and School Revolving Renovation Fund

Importance: High

Good morning.

Please see the important message below from Ann Pinnette at the DOE.

Subject: Charter schools and School Revolving Renovation Fund

Please distribute to charter schools:

This is to provide clarification on the availability of the School Revolving Renovation Fund to Maine's public charter schools. It has been determined that due to legal restrictions charter schools are not currently able to participate in the School Revolving Renovation Fund program. Maine DOE intends to examine how relevant statutes and rules may be amended to potentially permit use of the fund by charter schools in the future.

Thank you.
