## Clarifying Question RFP 2017

The **Tab 8 Performance Measures Guidance template** has the student measures but does not include any of the other measures (i.e., Financial Performance and Sustainability, Governance, Facilities, Transportation & Food, School Social and Academic Climate, Parent and Community Engagement). Is this because the Tab 8 template already includes the measures or are there other guidelines for these elements in another section or document?

### Answer:

A new Performance Measure Guidance document, including guidance for non-academic measures, can be found on our website at <http://www.maine.gov/csc/requests/RequestforProposalsCharterSchoolApplication.html>
