### Required Documentation - Section 1

The following information must be attached and submitted with this Section of the application:

- A. Farm Narrative. A statement, one page or less, explaining (1) the date and circumstances of the discovery of PFAS on the property, (2) the impacts to the farm's business operations due to PFAS contamination, and (3) how the requested financial assistance will support the farm's efforts to remain viable in connection with these impacts.
- B. Proof of Contamination. PFAS test results from an approved laboratory (*if DACF does not already have them*). See **Appendix B** for the current Maine PFAS Screening Levels, updated as of December 2023.

The commercial farm has DACF-confirmed unsafe levels of PFAS contamination, defined as

1. One or more samples of farm products showing PFAS exceeding current Action Levels or deemed of concern by the Maine CDC, and/or
  2. groundwater test results exceeding Maine's enforceable interim drinking water standard for PFAS until superseded by either Maine's Maximum Contaminant Level (MCL) for PFAS or a federal MCL for PFAS, whichever is lowest, for wells servicing the farm or fields, and/or
  3. soil test results exceeding any current Maine CDC crop-specific screening level
- C. Vendor Form. A completed State of Maine Vendor Authorization Form (*if not already on record*), available in Appendix A. The purpose of the vendor form is to establish an account with the State of Maine's accounting system so that payments may be issued to the applicant by the State of Maine. Any change in information, such as an address change, will require a new vendor form.

*Consent and Certification*

By submitting this application, the undersigned:

- Agrees to partner with DACF to investigate the scope of contamination at the farm, grants ongoing access such that DACF staff are able to develop an understanding of the farm, its PFAS contamination, and potential strategies for recovery, and agrees to follow any such recommendations to the greatest extent possible;
- Authorizes DACF to receive information from and share information with other organizations when the information is necessary for DACF to make a decision on an application, including the Maine Department of the Environment (DEP), Maine Center for Disease Control and Prevention (MECDC), USDA Farm Service Agency, Maine Farmland Trust, and Maine Organic Farmers and Gardeners Association;
- Acknowledges that DACF reserves the right to request any additional supporting documentation that is necessary to evaluate the request for assistance;
- Acknowledges that DACF reserves the right to limit the amount of funding for all requests based on available resources;
- Agrees that if payments exceed a commercial farm’s eligible documented expenses, losses, or other outlays, the commercial farm shall reimburse DACF an amount equal to the overpayment.
