

ATTENTION – Forestry Activities

within Unorganized and Deorganized Areas

Change in permit and notification process for:

Timber harvesting, land management roads, water crossings on/for land management roads, and gravel pits less than 5 acres in size. The Maine Forest Service now regulates these activities in management subdistricts and protection subdistricts (except for in development areas in P-RP subdistricts).

Public Law 2011, Chapter 599 (Enacting LD 1739)

Where to send your permit application:

Forestry Operations Permits (FOPs), Road Construction Permits, Bridge Construction Permits, and Gravel Pit Addendums to Road Permits for the activities listed above

Located in:

- Management Subdistricts
- Protection Subdistricts (except for development areas in P-RP Subdistricts)

Now regulated by MFS (207) 287-2791.

Send applications to:

**Maine Forest Service
Attn: Arlene Davis
22 State House Station
Augusta, Maine 04330**

Located in:

- Development Subdistricts
- Development areas within P-RP Subdistricts

Still regulated by LUPC (207) 287-2631.

Send applications to:

**Land Use Planning Commission
22 State House Station
Augusta, Maine 04330**

**Activities located partially within a development subdistrict and either a management or protection subdistrict will require review by both the MFS and the LUPC. Please fill out one application, make a photocopy and send a copy to each agency.

Where to send your FON (Forestry Operations Notification):

Continue to mail all FONs to the Maine Forest Service, Attn: Arlene Davis, 22 SHS, Augusta, ME 04330.

Note: The accompanying application is a LUPC form that is in the process of being revised to reflect the changes outlined above. The MFS is using this LUPC form temporarily while updated forms are being developed. Consequently, there may be places where references to the [LUPC's Chapter 10 Land Use Districts and Standards](#) will be replaced with references to the [Maine Forest Service Chapter 27 Rules](#). Chapter 27 is now in effect.
