

# Maine State Parks and Public Reserved Lands

## Application for Activity Permits and Licenses

| CONTACT INFORMATION                                                                                                                                                                                                                                                                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Name:                                                                                                                                                                                                                                                                                            |
| Organization:                                                                                                                                                                                                                                                                                    |
| Address:                                                                                                                                                                                                                                                                                         |
| Phone:                                                                                                                                                                                                                                                                                           |
| Email:                                                                                                                                                                                                                                                                                           |
| LOCATION                                                                                                                                                                                                                                                                                         |
| In which park or on which Public Land will your activity take place, and in what area? For example, Center Hill, within Mount Blue State Park. For research projects that include multiple locations, coordinates are greatly appreciated (please attach to this application).                   |
|                                                                                                                                                                                                                                                                                                  |
| DESCRIPTION OF YOUR ACTIVITY                                                                                                                                                                                                                                                                     |
| Please use this box to describe your activity. Include the following: a general description of what the activity will include, the date of your activity and proposed arrival and departure times, the number of people involved in the activity, and a description of any equipment being used. |
|                                                                                                                                                                                                                                                                                                  |

Maine State Parks and Public Reserved Lands  
Application for Activity Permits and Licenses

|                                                                                                                                                                                                                                                                  |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>IS YOUR ACTIVITY COMMERCIAL?</b>                                                                                                                                                                                                                              |
| If your activity is intended to generate profit, please explain how use of this location will contribute to that goal, and provide an estimate of the revenue likely to result from this activity. For classes, please include the fee charged for participants. |
|                                                                                                                                                                                                                                                                  |
