

WHO WE ARE:

Texas Conservation Corps, a program of American YouthWorks, is looking for AmeriCorps Crew Leaders and Members to join our team!

Our members serve for 6- or 11-month terms. Throughout the course of their commitment, members receive training in trail building and maintenance, chainsaws, disaster response, herbicide application, light construction, heavy equipment operation, Leave No Trace, exotic plant management, habitat restoration, and more. TxCC provides opportunities for leadership and career development for all participants.

Our Conservation Programs:

- . Trails Across Texas Crew
- . Disaster Response Crews
- . Field Crews
- . San Antonio Masons
