

# School & Parks Turf Management Workshop

## IPM

- What's the latest in overseeding, grass seed variety selection, watering, fertilizing, mowing, and aeration?
- Want to learn how to identify the different kinds of grubs and find effective methods for controlling them?
- Are you using IPM practices to ensure safe playing surfaces on sports fields and playgrounds?
- This workshop is ideal for anyone engaged in managing turf at schools, parks or other public spaces. Turf care professionals, School IPM Coordinators, athletic directors, and parks or school maintenance directors and staff will learn the latest recommendations for turf IPM.

## Where & When

July 22, 2014 - Brunswick High School,  
116 Maquoit Rd, Brunswick, ME

## Agenda

8:00 AM Check-in/registration
