RE: Variance permit for CMR 01-026 Chapter 29

Dear Mr. Weimann:

This letter will serve as your variance permit for Section 6 of Chapter 29 for vegetation control along the St. Lawrence and Atlantic Railroad right of ways.

The Board has authorized the issuance of two-year permits for Chapter 29, therefore this permit is valid until December 31, 2022, as long as applications are consistent with the information provided on the variance request. Please notify the Board in advance of significant changes, particularly if you plan to use a different product from those listed.

Please bear in mind that your permit is based upon your agency employees and contractors adhering to the precautions listed in Section IX of your variance request.

I will alert the Board at its June 4, 2021 meeting that the variance permit has been issued. If you have any questions concerning this matter, please feel free to contact me at 287-2731.

Sincerely,

Megan Patterson, Director
