April 28th, 2023

RIDE Coach & Bus confirms that the information in our response to the State complies with the requirements in the RFQ. Please note that our newest model – the Type C electric school bus – is currently in the final stages of testing and will be available to purchase in Summer 2023. We provided information for our Type C school bus on the Bid Price Sheet, the Specification Sheet, and the Cost Quotation. However, an official Fact Sheet for this vehicle containing information, pictures, and literature for this model has not been created. Our team will submit the approved Fact Sheet to your agency as soon as it is available.
