ARTICLE I
PRODUCTS

- 1.1 **Product Categories.** The four to eight (4-8) digit United Nations Standard Products and Services Code (**UNSPSC**) for a Product will establish the default classifications. The parties may establish alternative classifications or provide clarifications in **Attachment B**.
- 1.2 **Core.** These are Products that are specifically identified on a "line-item" basis on **Attachment A-1**. The Vendor may add Products to this at any time, however, removals can only occur on an annual basis, except to the extent a Manufacturer discontinues a Product. Once a change has occurred, the Vendor must wait one (1) year from each change date to make further adjustments, except to the extent a Manufacturer discontinues a Product.
 - A. **Package Size:** All package size offerings for that Product will be considered part of the Core list.
 - B. **"Annual Refresh":** Annually, at a minimum, it is expected that the top fifty percent (50%) (in both unit and dollar volume) of collective Core and Non-Core Products from the previous year will be classified as Core for the applicable upcoming year. MMCAP Infuse will provide Vendor a proposed Core list sixty (60) days in advance. The Vendor may review and appeal items on the list, however the Vendor must provide (i) written justification and supporting evidence; and (ii) alternative product to replace the item on the Core list. MMCAP Infuse will then review and consider the appeal. A final Core list must be approved by both parties within the sixty (60) days, otherwise the previous year's Core list will automatically renew for another year or until the parties agree to an updated Core list.
 - i. **Historical Sale History.** If the Vendor has a historical sale history with MMCAP Infuse and/or the Membership, that will be used to create the initial Core list.
 - C. **Off-cycle Product Additions:** The Vendor may add Products to the Core list at any time with three (3) days' written notice to MMCAP Infuse.
 - D. **MMCAP Infuse Products:** The Vendor will be prohibited from selling MMCAP Infuse Products and competing equivalent items under the Core category.
 - E. **Vendor Exclusive Brands:** The Vendor understands that a key aspect of their award were the exclusive brands listed in their response. Thus, the Vendor will be required to include all available product from those brands on the Core list. Subject to any Manufacturer discontinuations and availability, failure to do so or the

sale of those brands under non-core will be considered a violation of this Agreement. A list is located on **Attachment A-4**. <https://members.infuse-mn.gov/contract-documents>.

- 1.3 **Non-Core.** These are all other approved Products in the Vendor's catalog sold to the Membership. These offerings will receive a discount off the disclosed catalog price at the time of the Member's purchase in accordance with **Attachment A-2**. The Vendor may fluctuate the Pricing and Product offerings as displayed in the Vendor's catalog without notice to MMCAP Infuse.
- A. **MMCAP Infuse Products:** The Vendor may compete with the MMCAP Infuse Products by offering competing items (made by a MMCAP Infuse Manufacturer or competitor) under Non-Core but must still make MMCAP Infuse Products visible with the lowest cost item being listed first in the catalog. If the Products are linked as interchangeable in the ordering platform, the Vendor's ordering system must make them interchangeable both ways.
 - B. **Over the Counter Pharmaceuticals:** With MMCAP Infuse's prior review and approval of each Product, the Vendor may sell over-the-counter pharmaceuticals to the Membership under this category. A list can be found on **Attachment A-5**. If any Product is subject to a Covered Contract, Vendor will, subject to the MMCAP Infuse Manufacturer allowing it, honor the terms of the Covered Contract. The Vendor may be required to remove Product from Non-Core or the catalog entirely if the Vendor cannot follow the requirements for MMCAP Infuse Products.
 - C. **Drug and Alcohol Testing Products:** With MMCAP Infuse's prior review and approval of each Product, the Vendor may sell drug and alcohol testing items to the Membership under this category. If any Product is subject to a Covered Contract, Vendor will, subject to the MMCAP Infuse Manufacturer allowing it, will honor the terms of the Covered Contract. The Vendor may be required to remove from Non-Core or the catalog entirely if the Vendor cannot follow the requirements for MMCAP Infuse Products.
 - D. **Prohibited Products (see Paragraph 1.5):** Unless stated otherwise, the Vendor cannot sell any Prohibited Products under Non-Core offerings under this Agreement.
- 1.4 **MMCAP Infuse Products.** MMCAP Infuse and/or MMCAP Infuse Manufacturer will provide a Product listing (and applicable MMCAP Infuse Base Price, defined in Paragraph 2.4) to the Vendor. The Vendor must be listed as an authorized distributor in the MMCAP Infuse Manufacturer agreement in order to have Products added to the MMCAP Infuse Product listing to ensure the Vendor will be able to honor chargebacks. The Vendor will be required to load the Covered Contract in Vendor's system within five (5) business days of Vendor receiving notice from the applicable MMCAP Infuse Manufacturer for existing Covered Contracts or within fifteen (15) business days of Vendor receiving notice from the applicable MMCAP Infuse Manufacturer for any new Covered Contracts. Subject to approval, availability from and Vendor's ability to meet any compliance requirements of each applicable MMCAP Infuse Manufacturer, the Vendor will have thirty (30) days to obtain the inventory before Paragraph 4.1 will be applied. Subject to approval, availability from and Vendor's ability to meet any compliance requirements of each applicable MMCAP Infuse Manufacturer, the Vendor agrees to carry enough inventory of Products to support the Member orders. Vendor will be required to make all MMCAP Infuse Products searchable within the Vendor's online Ordering System; however, Paragraph 4.1 will not apply. If the Vendor cannot sell the MMCAP Infuse Products, the Vendor must provide written notice and the reason why.
- A. **Eligibility Requirements:** If a MMCAP Infuse Manufacturer requires a form to be signed by a Member for certain specialty pricing eligibility based on the MMCAP Infuse Manufacturer guidelines, the Vendor will obtain the document from the Member and submit it to the MMCAP Infuse Manufacturer before providing the applicable specialty pricing to the Member.
 - i. **Sublocade:** For the Sublocade set forth in **Attachment A-4**, it is understood and agreed that only Members which are approved by the Manufacturer ("**Designated MMCAP Members**") are eligible to receive the pricing set forth herein. However, the Manufacturer may expand the eligibility of Designated MMCAP Members with written notice to both MMCAP Infuse and Vendor, upon which the Vendor may honor the changes so long as such changes do not conflict with any applicable law or Vendor's direct agreements with Manufacturers. MMCAP further understands and agrees that Vendor restricts the sale or transfer of medications to prisons/correctional facilities for use in lethal injections in accordance with Vendor's direct agreement with Manufacturers. Any Sublocade purchased by Designated MMCAP Members under this Agreement are intended to be used for their label-approved purposes or applicable standards of care, which do not include human lethal injection.
 - B. **MMCAP Infuse Manufacturer Special Pricing:** Vendor will ensure only eligible Members see MMCAP Infuse Manufacturer driven special pricing in the Vendor's ordering platform and only eligible Members will have access to that special pricing. It is the responsibility for the Vendor to bill Members at the correct tier by working with the MMCAP Infuse Manufacturer.
 - C. **Changes:** Subject to the details set forth in Paragraph 1.4, MMCAP Infuse Products, above, MMCAP Infuse reserves the right to modify the MMCAP Infuse Products at any time during the Agreement Term and the Vendor will have five (5) business days to adjust their catalog.
 - D. **Monitoring:** Upon written request, and subject to manufacturer approval and Vendor's system capabilities, the Vendor will provide an inventory forecasting report to MMCAP Infuse.

- The most current version
<https://www.mmcapsinfuse.com/contracts/docs>
- E. **Chargeback Denials:** Vendor will use reasonable efforts to notify MMCAP Infuse within thirty (30) days of when it receives notice of a chargeback denials received from an MMCAP Infuse Manufacturer for MMCAP Infuse Products, provided MMCAP Infuse has not already notified Vendor of the issue.
- F. **Contract File:** Vendor will provide an accurate monthly file of the MMCAP Infuse Products loaded before the first day of the week. The file may be zipped and should be submitted in a form agreeable to all parties. To MMCAP_infuse.hpscontracts@state.mn.us.
- 1.5 **Prohibitions.** Unless otherwise stated under this Agreement (**Attachment A-2** through **Attachment A-5**) or if MMCAP Infuse provides written approval by an amendment to this Agreement, the Vendor will be prohibited from selling the following Product categories to the Membership ("**Prohibited Products**") under this Agreement. MMCAP Infuse may amend this list with thirty (30) days' notice; the Vendor will be required to remove affected Products from the Agreement and catalog offerings under this Agreement. The following categories are prohibited under this Agreement:
- A. **All influenza and general vaccines:** None; MMCAP Infuse has awarded separate agreements through a different request for proposal. (Generally, UNSPSC 512016)

- 1.6 **Product Preference.** Vendor can sell to Members all Products requested by Member. On a quarterly basis or as reasonably requested by MMCAP Infuse, the Vendor will provide contract compliance reports to monitor purchases of Non-Core products compared to their MMCAP Infuse and Core Products equivalents in the Product category. It is the intent of MMCAP Infuse that at no point should the Non-Core Products exceed fifty percent (50%) of a purchase makeup for Product category for any three (3) month period when there are MMCAP Infuse Product and Core Product equivalents; however, both parties understand that purchasing decisions are at the discretion of the Member. If during the Term of this Agreement the percentage makeup for a Product category where there are MMCAP Infuse Product and Core Product equivalents is not meeting MMCAP's intended purchase makeup, and such purchase makeup is due to reasons other than lack of availability and Member purchasing decisions, MMCAP Infuse and Vendor will meet and confer in good faith to review the Core Products. To the extent necessary to address the purchase makeup, and upon mutual consent, the Core Products may be adjusted. The compliance formula is found on **Attachment E** and data received from the Vendor via **Table 1, Sales Data Report** will be used to review compliance.
- 1.7 **Product Dating.** Unless agreed upon in writing by the Member in advance, all Products will have a shelf life of at least six (6) months.

 - B. **Package Variations:** Per **Paragraph 1.2(A)**, all package sizes for applicable manufacturer and/or Vendor part number will be under the terms of Core Pricing. The Vendor can sell the package sizes at different Pricing, however "per item" basis must remain consistent.
 - C. **Price Reductions:** After the Effective Date, Vendor may submit to MMCAP Infuse price reductions but must provide at least three (3) days' notice to MMCAP Infuse before they can take effect.
 - D. **Annual Refresh:** During the Annual Refresh (see **Paragraph 1.2(B)**), Vendor may propose price increases for products remaining on Core or being added to Core. The Vendor must provide at least ninety (90) days' written notice for any change to take effect.
 - E. **Price Increases:** Notwithstanding anything to the contrary herein contained, to the extent Vendor receives an increase greater than ten percent (10%) for any Core Products, Vendor shall have the right to increase the purchase price of such Core Products. Additionally, Vendor will have the right to increase the price if the purchase price drops below Vendor's cost. Vendor will provide evidence of said occurrence to MMCAP

Infuse; provided however, that Vendor shall not be required to disclose any information subject to confidentiality with a third party. Vendor shall provide MMCAP Infuse with thirty (30) days prior written notice of any such price increase. Except as provided for in this Agreement, no fee, percentage, or other cost may be added to the Products purchased under this Agreement unless it has been approved in writing by MMCAP Infuse. In the event Vendor does not notify MMCAP Infuse of an increase, Vendor must honor chargebacks for the most recent previous Price until such time as MMCAP Infuse receives notice of and approves the increase.

- 2.3 **Non-Core Pricing.** Pricing for Non-Core Products will be fluid at Vendor's discretion. However, all Members (at no cost to Member) will be able to view the current Non-Core Product prices and catalog/list price in Vendor's electronic catalog in order to easily calculate if the Non-Core Product discount and price adjustments are being applied properly. If the Vendor is unable to display the full list price in the Vendor's electronic catalog, the Vendor will provide the Member with a non-ordering full list price account upon request for auditing purposes. Once Member makes a purchase of the Non-Core Product, Vendor will create an invoice disclosing the price to Member and the Non-Core Product discount applied (more invoice requirements are found in **Article III**).
- 2.4 **MMCAP Infuse Pricing.** MMCAP Infuse has provided (or will provide) Vendor a list of MMCAP Infuse Products and Pricing ("**MMCAP Infuse Base Price**"). MMCAP Infuse and the Vendor have agreed to Mark-Up, which will be added to the MMCAP Infuse Base Price for each applicable Product; the sum of the MMCAP Infuse Base Price and Mark-Up will be the Price the Vendor discloses to the Member.
- A. **Price Loading.** Vendor will be responsible for processing the MMCAP Infuse Products and Pricing sent to them by the MMCAP Infuse Manufacturer within five (5) days of receipt from such MMCAP Infuse Manufacturer. If a Member decides to purchase a different case/package size than what MMCAP Infuse negotiated with an applicable MMCAP Infuse Manufacturer, the Vendor will notify MMCAP Infuse. MMCAP Infuse will either (i) work with the Manufacturer to add that size to the Covered Contract; or (ii) the Vendor, and Member will work in good faith to come to a fair and reasonable price, using the Pricing for Non-Core Products as guidance.
- i. **Manufacturer Verification (if applicable).** If a manufacturer requires verification or provides data that is inconsistent with MMCAP Infuse, the Vendor will notify MMCAP Infuse in writing within twenty-four (24) hours of the impasse occurring.
 - ii. **Notice.** If a Vendor receives a notice of a change from a MMCAP Infuse Manufacturer but did not receive the same notice from MMCAP Infuse, the Vendor will forward the information to MMCAP Infuse within three (3) days.
 - iii. **Disagreements.** Subject to compliance with applicable laws, the Vendor agrees to review and process credits/rebills as notifications are received at no charge and, in the event actually owed and due, correct pricing in the event that MMCAP Infuse and the MMCAP Infuse Manufacturers have a disagreement regarding a Product or Pricing.
 - iv. **Failure to Negotiate.** The Vendor agrees to use commercially reasonable efforts to notify MMCAP Infuse promptly (to the extent it is able to do so) of any issues with MMCAP Infuse Manufacturers that could affect the Vendor's ability to stock, sell, or perform chargebacks on these Products. Notices must be sent to: mmcap_infuse.hpscontracts@state.mn.us.
- B. **Auditing.** Vendor will perform Pricing audits, matching pricing information provided by MMCAP Infuse against the MMCAP Infuse Base Price provided by MMCAP Infuse Manufacturers. If Vendor discovers discrepancies, the Vendor will notify the MMCAP Infuse Manufacturer and MMCAP Infuse of the discrepancy in order to reach resolution. Upon resolution, Vendor will correct the errors, will create a sales history report, and enter credit(s)/rebill(s) for each Member connected to the contracts within ten (10) business days of resolution. Vendor is expected to continue to provide the process, which was the outcome of the collaboration between the Vendor and MMCAP Infuse, to deliver comprehensive and efficient means to provide continuous Price audit data.
- 2.5 **Service Pricing.** Reserved.
- 2.6 **Competitive Pricing.** During the Term of this Agreement, if MMCAP Infuse receives information from any source that the terms or pricing offered under this Agreement are not market competitive, Vendor and MMCAP Infuse will meet and confer in good faith to determine the ongoing competitiveness of the terms and pricing under this Agreement. Vendor reserves the right, when comparing market competitiveness, to use the following in its evaluation (A) Member's class of trade; (B) Member's volume of Products; (C) Member's payment terms; (D) Member's number of deliveries; and (E) Member's number of delivery locations. To the extent necessary to address market-competitive conditions, and upon mutual consent between MMCAP Infuse and Vendor, and such consent is not to be unreasonably withheld by Vendor, applicable terms or prices may be adjusted.
- 2.7 **Member Fees.** In the event a Member requires a fee, assessment, and/or additional costs in addition to the Pricing; the fee, assessment, and/or additional costs must be added on top of the Pricing and/or an adjustment to the discounts must be made so Vendor does not absorb the fee. Vendor must not pay a Member levied fee without first collecting the fee through increased Pricing for the applicable Member. The fees will be set aside and paid to the Member as detailed in a form provided and approved by MMCAP Infuse.

ARTICLE III**ORDERS, DELIVERY, AND PAYMENT; SELECTION OF SERVICES**

- 3.1 **Orders.** As a condition for purchasing under this Agreement, purchasers must be Members in good standing with MMCAP Infuse. Vendor may use their own Ordering Systems and Purchase Order Forms. Except to the extent otherwise negotiated for Services and Bulk Orders (see Paragraph 3.8), to the extent that any terms conflict with the terms of this Agreement, the terms of this Agreement supersede. Each Member will be responsible for payment for Contracted Items to the Vendor and MMCAP Infuse will not be liable for any unpaid invoice of any Member. Vendor agrees to invoice the Members as established in this Agreement.
- A. The use of obtaining a Contracted Item from the Ordering System or Purchase Order constitutes a binding contract. All Products furnished will be subject to inspection and acceptance by the ordering entity after delivery in accordance with Vendor's Return Policy (**Attachment G**). Back orders, failure to meet delivery requirements, or failures to meet specifications in the Ordering System, Purchase Order, and/or the Agreement authorizes the ordering entity to cancel the order, or any portion of it. If Vendor fails to provide the Contracted Items as set forth in this Agreement, Member may obtain the same or equivalent Product through an alternative vendor. This may be subject to Paragraph 4.1.
- B. Order System minimum requirements. At a minimum, the Order System must (i) have the outlined capability and (ii) display the following for each Product in the catalog offerings to the Membership.

 - Product inquiry search option;
 - Auto-backordering; and
 - Show cost-saving opportunities/alternatives.
- ii. Display:
- Product name and picture;
 - Manufacturer product number;
 - UNSPSC;
 - Product description;

- C. Vendor will provide MMCAP Infuse with at least one login and password to access and view Vendor's Ordering System and/or online catalog it displays to the Membership. During the Agreement, if MMCAP Infuse requests the Vendor to provide live catalog Pricing electronically to MMCAP Infuse's technology infrastructure, Vendor will do so without any cost assessed to MMCAP Infuse.
- 3.2 **Product Substitution.** In the event the Products covered by this Agreement are not available at the time of order placement, Product substitution will only be permitted upon the written consent of the Member. In the notification, the Vendor will inform the Member the reason the requested Product is not available and suggest possible substitutes. Vendor may suggest any self-manufactured or its private label Products and at least one brand label Product.

- 3.3 **Termination of Individual Orders.** Members may terminate, immediately or as identified by Member, individual orders in whole or in part, upon written notice to Vendor upon the occurrence of any of the following events:
- The Member fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for Contracted Items to be purchased;
 - Federal or state laws, regulations, or guidelines are modified or interpreted in such a way that either the purchase of the Contract Items are prohibited, or the Member is prohibited from paying for the Contracted Items from the planned funding source; or
 - Vendor commits any material breach of this Agreement.

Product Compliance and Replacement Report (Paragraph 1.6). Vendor agrees to report Product compliance using MMCAP Infuse's preferred calculations as follows:

1. Compliance Formula:

Core + MMCAP Infuse Products Sales

Total Sales

1. **Government Data Practices.** Parties to this Agreement must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 (Data Practices Act), as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Agreement. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. Ch. 13, by either the Vendor or MMCAP Infuse.
 - A. **Notification.** If the Vendor receives a request to release the data referred to in statute, the Vendor must immediately notify and consult with MMCAP Infuse as to how the Vendor should respond to the request.
 - B. **Indemnification.** Vendor agrees to indemnify, save, and hold Minnesota, its agent and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation of any provision of the Data Practices Act by Vendor, including legal fees and disbursements paid or incurred to enforce this provision of the Agreement.
 - C. **Release of MMCAP Infuse Data.** Except as may be required by Data Practices Act, Vendor will not release to any third party any MMCAP Infuse customer data, sales transaction data, DEA/HIN information, pricing, EDI transaction data, reverse distribution data, or payment data.
2. **Data Disclosure.** Under Minn. Stat. § 270C.65, subd. 3 and other applicable law, the Vendor consents to disclosure of its social security number, federal employer tax identification number, and Minnesota tax identification number, already provided to the MMCAP Infuse, to federal and state agencies, and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Vendor to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.
3. **Non-discrimination.** The Vendor will comply with the provisions of Minn. Stat. § 181.59.
4. **Affirmative Action Requirements.**
 - A. **Covered contracts and vendors.** If the Agreement exceeds \$100,000 and the Vendor employed more than forty (40) full-time employees on a single working day during the previous twelve (12) months in Minnesota or in the state where it has its principal place of business, then the Vendor must comply with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600.
 - B. Minn. R. 5000.3400-5000.3600.
 - i. General. Minn. R. 5000.3400-5000.3600 implements Minn. Stat. § 363A.36. These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a Vendor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for non-compliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minn. R. 5000.3400-5000.3600 including, but not limited to, Minn. R. 5000.3420-5000.3500 and 5000.3552-5000.3559.
 - ii. **Disabled Workers.** The Vendor must comply with the following affirmative action requirements for disabled workers.
 - a. The Vendor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Vendor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
 - b. The Vendor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - c. In the event of the Vendor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minn. Stat. § 363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - d. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner. Such notices must state the Vendor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
 - e. The Vendor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Vendor is bound by the terms of Minn. Stat. § 363A.36, of the Minnesota Human Rights Act and is committed

to take affirmative action to employ and advance in employment physically and mentally disabled persons.

- iii. **Consequences.** The consequences for the Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Agreement by the Commissioner or Minnesota.
 - iv. **Certification.** The Vendor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.
5. **E-Verify certification (In accordance with Minn. Stat. § 16C.075).** For services valued in excess of \$50,000, Vendor certifies that as of the date of services performed on behalf of Minnesota, Vendor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of Minnesota. Vendor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at <http://www.mmd.admin.state.mn.us/doc/EverySubCertForm.doc>. All subcontractor certifications must be kept on file with Vendor and made available to Minnesota upon request.
 6. **Certification of Nondiscrimination (In accordance with Minn. Stat. § 16C.053).** The following term applies to any contract for which the value, including all extensions, is \$50,000 or more: Vendor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the Vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.
 7. **Contingency Fees Prohibited.** Pursuant to Minn. Statute § 10A.06, no person may act as or employ a lobbyist for compensation that is dependent upon the result or outcome of any legislation or administrative action.
 8. **Diverse Spend Reporting.** If the total value of this Agreement may exceed \$500,000 in Minnesota, including all extension options, the Vendor must track and report, on a quarterly basis, the amount paid to diverse businesses both: (A) directly to subcontractors performing under the Agreement, and (B) indirectly to diverse businesses that provide supplies/services to your company (in proportion to the revenue from this Agreement compared to your company's overall revenue). When this applies, you will be set up in a free portal to help report the Tier 2 diverse spend, and the requirement continues as long as the Agreement is in effect.
 9. **Retainage for Minnesota Government Units.** Under Minn. Stat. § 16C.08, subd. 2 (10), no more than ninety percent (90%) of the amount due under this Agreement may be paid until the final product of this Agreement has been reviewed by a Minnesota agency head. The balance due will be paid when the Minnesota agency head determines that the Vendor has satisfactorily fulfilled all the terms of this Agreement.
 10. **Payment to Subcontractors.** To the extent applicable, the Vendor must pay all subcontractors in accordance with Minn. Stat. § 16A.1245.

ARBITRATION:

All Claims related to or arising under or relating to this Agreement except for Claims for non-payment of amounts due to Henry Schein for the sale of products) are to be exclusively and finally determined by binding arbitration in the state of New York, or another location mutually agreeable to the parties. Any and all Claims must be arbitrated on an individual basis, and there shall be no right or authority for any Claims or disputes to be arbitrated on a class action or collective basis. For avoidance of doubt, each party irrevocably waives any right to: (i) have any Claim resolved in connection with any class action or collective action; or (ii) recover any damages or relief directly or indirectly as part of any class action or collective action. The arbitration shall be conducted on a confidential basis pursuant to the Commercial Arbitration Rules of the American Arbitration Association, or if applicable, under its Procedures for Large, Complex Commercial Disputes. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of costs, expenses and reasonable attorneys' fees. Any such arbitration shall be conducted by an arbitrator experienced in the disputed subject matter and shall include a written record of the arbitration hearing. The parties reserve the right to object to any individual who shall be or has been at any time employed by or affiliated with a competing organization or entity. An award of arbitration may be confirmed in a court of competent jurisdiction. To the extent that any Claim or dispute is determined to not be subject to arbitration, all other Claims or disputes that would otherwise be subject to arbitration must be arbitrated. As used in this Agreement, "Claims" shall mean any and all liabilities, disputes and expenses whatsoever including, without limitation, claims, adversary proceedings (whether before a court, administrative agency or any other tribunal), damages (whether compensatory, multiple, exemplary or punitive), judgments, awards, penalties, settlements, investigations, costs, responses to subpoenas or other governmental directives and reasonable attorneys' fees and disbursements with respect to any claims that may be sustained, suffered or incurred by a Party hereto.
