

MAINE BOARD OF DENTAL PRACTICE
Application Checklist for Moderate Sedation Permits
Level I (Enteral) and Level II (Parenteral)

A Moderate Sedation Permit is NON-TRANSFERABLE. A separate permit application must be submitted, approved and issued by the Board for each practice location prior to providing sedation services. To qualify for a permit, an applicant must hold an active Maine dentist license and shall submit the following:

- Documentation of successful completion of a **board-approved** comprehensive sedation training program as required pursuant to Board Rule, Chapter 14. Please contact Board Staff to ensure your training program has been approved.
- Payment of the total fees of \$850.00 (application fee \$100.00; permit fee \$750.00)
- Copy of current, valid life support certifications (BLS, ACLS, and PALS - required for pediatric sedation)
- Completed, signed Moderate Sedation Certification Form that attests to adhering to the equipment, personnel, procedures, techniques and documents as outlined in the “ADA Sedation Guidelines” and requirements of Board Rule, Chapter 14:

Other information that will need to be provided as part of the online application:

- Dental personnel information: Pursuant to Board Rule Chapter 14 Section V(H)(2)(a) the operating dentist and at least one other individual who is experienced in patient monitoring and documentation, and trained to handle emergency situations must be present. To that end, you will be asked to identify and attest to the following information:
 - Name and title of dental personnel;
 - License type and license number of each dental personnel, as applicable;
 - BLS certification information of dental personnel, including expiration date; and
 - Attest that the dental personnel individual is experienced in patient monitoring and documentation, and trained to handle emergency situations will be present.
