

Well driller: Please complete one of these forms for each well you drill.

- fill in the information requested in the well information section (Part 1) below.
- remove the white copy of Part 1 for your records; remove and mail the Part 1 postage-paid postcard to the Maine Geological Survey as soon as possible after the well is completed.
- give these instructions, the yellow copy of the well information section, and the Part 2 postcard to the property owner.

Property owner: Please supply the information requested on the location and ownership section of the form (Part 2). The tax map and lot number for the property where the well is located is very important, and can be obtained from your town office or tax assessor's office if you do not know it. Mail the postage-paid postcard to the Maine Geological Survey as soon as possible after the well is drilled, and keep the remaining copy for your records. Thank you for your cooperation.
