

Christina Hodgeman
Director of Policy

Department of Environmental Protection
State of Maine

July 27, 2018

**To Whom This May Concern About the Importance of the Ozone
Transport Region**

Dear DEP Staffers, *Ms. Hodgeman*

**I am a retired elementary school teacher and principal from Bath.
As such,**

**I am concerned about the possibility of removing Maine from
agreements which have protected the airways of our citizens,
especially the youngest ones from asthma.**

**I will appreciate your holding firm in our commitment to the Ozone
Transport Region .**
