Subject: My Support of CLF's Appeal of WMDSM Crossroads Landfill license
Date: Monday, August 30, 2021 2:46:29 PM

To whom it may concern,

I am writing in support of the Conservation Law Foundation's appeal of the DEP's approval of the expansion at Waste Management's Crossroads Landfill in Norridgewock, Maine.

The horrible decision to continue the dumping of toxic materials banned in Massachusetts, etc., is particularly disturbing. How could any decent Mainer not financially benefiting from this abomination facilitate its furtherance?

Sincerely,
Dana C. Snowman
