Re: Waste Management Disposal Services of Maine, Inc. – Crossroads Landfill (WMDSM)
Solid Waste Permit Application Submission
Proposed Phase 14 Landfill

Dear Ms. Butler:

Please find enclosed a Solid Waste Permit Application for the proposed Phase 14 landfill at the Crossroads Landfill in Norridgewock, Maine. WMDSM worked in conjunction with Geosyntec Consultants (Landfill Designer), Golder Associates (Hydrogeology Consultant), Normandeau Associates (Natural Resources Consultant) and SCS Engineers (Landfill Gas Designer) to prepare this application. The application was completed in accordance with the requirements for landfill development presented in Chapter 400 and 401 of the Maine Solid Waste Management Rules.

The processing and licensing application fees for this application have been previously provided and accepted by the Maine Department of Environmental Protection.

Please feel free to contact me should you have any questions or require further information.

Sincerely,

Waste Management Disposal Services of Maine, Inc. – Crossroads Landfill

Sherwood A. McKenney
District Engineer
