To clarify, the Maine Turnpike Authority does not oppose this two week extension of time to file closing briefs so long as there is no overall extension of the review period for the application.

**Subject:** Intervenor Request

Good afternoon Ms. Richardson,

Attached please find a request by the Intervenor for a two-week extension for the post-hearing briefs. As noted in the request, I have conferred with Attorney Tourangeau and the MTA does not object to the granting of this request.

Thank you for your consideration.

Scot
