I'd like to enter written testimony due to all the technical difficulties. My name is Cassandra Cleaves from Pownal Maine. Department of Environmental Protection please do your job. The people of Maine have spoken and the corridor is causing mass destruction to our environment, this needs to stop and you need to enforce this. Suspend the permit. I encouraged my daughter to register to vote to let her voice be heard. She did. She was so happy that her vote won. Now she's asking what's the point? DEP and our government doesn't seem to honor our voice or democracy. Please show us all that our voice and democracy is valid. Stop the destruction now.

Thank you!
