Photosimulations 1-29 and the Appalachian Trail Photosimulations A, B, C were submitted as part of the Visual Impact Assessment exhibit of the Site Location of Development Act permit application in September, 2017. Eight additional photosimulations were provided on December 12, 2017 (photo simulations 30 and 31) and June 29, 2018 (photosimulations 32 through 37) to the Department of Environmental Protection and Land Use Planning Commission.

* Rated Great Ponds are rated for Scenic Resources in the *Maine Wildlands Lakes Assessment* or *Maine's Finest Lakes*.

** Rated Rivers and Streams are rated for Scenic Resources in the *Maine Rivers Study*.
