Please be aware that I am vehemently opposed to the CMP corridor and more than a little disappointed in Governor Mills' about face on the topic. I am rethinking my vote on her behalf.

CMP really does not need to desecrate our forest lands for their gain. It is not as if they have passed on any savings to the customers! My bill jumped 50% this year and there are 1/2 as many offices in use in my building.

Go figure that one out!

They should find a way to get to Massachusetts without ruining Maine's natural resources.

Sincerely,
Darralyn Gauvin

PS My family has lived in Greenville since my great-great grandfather established Sanders' Store in 1857. Please don't go screwing with our great outdoor heritage for financial gain for CMP and Massachusetts.
