Hello~

As a Maine resident, I am writing to express my strong objection to CMP's proposed pipeline. Having once run a wilderness camp for teenagers in Somerset County, I know that Maine's landscape is one of its greatest resources. Our future lies in protecting it.

The damage caused to Maine's precious environment would be permanent; the cost and environmental benefits, in comparison, would be negligible.

Please listen to us Mainers, whose lives would be immediately and negatively impacted.

Best regards,
