Hello Maine DEP,

I'm writing to share my opposition to the Corridor being planned across Maine to bring power from Canada to Massachusetts. This is an absolutely horrible deal for Maine - at every level.

Our natural environment is the one thing Maine can offer to all our residents and visitors - and a key reason why people visit many of the areas set to be affected by the Corridor.

Maine will not be gaining financially from this deal. It makes no rational sense why we should degrade our resources for someone else's benefit. If states are going to pass policies, like the one Massachusetts passed, they should be committed to addressing a solution from within.

Thank you for registering my opposition. I hope Maine will do the right thing and oppose the corridor.

Best,
Katie Hatch
