**Subject:** The cmp corridor is a bad deal for Maine

EXTERNAL: This email originated from outside of the State of Maine Mail System. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi-

The CMP corridor is a bad deal for Maine. It will destroy pristine wilderness habitat to no benefit to the people of this state. If CMP is truly intent on transmitting electricity from Canada to Massachusetts they can utilize existing right of ways without the need to blaze a 50+ mile stretch through western Maine. Please consider the wilderness that will be destroyed forever and the viable alternatives.

Thank you
