To whom it may concern.....

PLEASE do NOT permit CMP to build the new line through our state.

We own 250 acres in Concord township that abuts the existing line. To add 75 more feet would be devastating to us and the environment.

We are stewards of the land. We can see the affects that changes make to the animals habitat. The clear cut will be maintained by pesticides and cause changes to vernal pools, wetlands and waterways.

My main concern is the 53 actress of new land destroyed in undeveloped forest. PLEASE, I beg of you do NOT let that happen.

I am retired and can go and do what ever I want. What I want to do most is to go to camp and enjoy and explore the other undeveloped areas of Maine.

Thank you for your time and effort in reviewing this issue.

Sincerely,

Patty van Horne
