Question or Comment

Please do not allow CMP to build a power corridor through western Maine. It will destroy prestige lands, watersheds streams and rivers. CMP is not offering enough in return and the facts that Vermont and New Hampshire refused to let it happen in their states should speak volumes> I voted for Janet Mills partly because she opposed this. Her decision to reverse her stance is deceptive and I highly disagree with her and anyone who supports this travesty.

Sincerely,
Ken Labrecque
