GENTLEMEN;

I HAVE BEEN ON THE FOREFRONT OF SEVERAL OF THESE "EVENTS" and believe me – as the CMP has presented its case – ITS NOT WORTH A HILL OF BEANS !

CMP is the only entity hat will benefit from the completion of this project- the PEOPLE of MAINE WILL NOT Benefit one bit.

The environmental IMPACTS CANNOT BE MITIGATED . THE DAMAGE to the TERRA-FIRMA- CANNOT NOT BE MITIGATED.

In summation- this project is going cause PERMANENT & LASTING & ESCALATING harm to Both The Natural resources and the RESIDENTS of this STATE of MAINE.

HAVE FERC conduct an E.I.S. for this Project !

THE P.U.C. is totally WRONG in their decision to approve this Project .
