

#### **4.0 ATTACHMENT 4 - SITE PHOTOS**

Overview photographs of the Site showing natural resources, general vegetation and Site features are provided as a virtual site tour photo log in **Appendix 4-A**, with locations of each photo depicted on a wetlands and streams survey map for the Site. Photographs of individual wetlands, streams and drainages are included in the Natural Resources Report included in **Attachment 12** of this application. Video of the subtidal pipeline route is provided in digital copy with this application.

**Appendix 4-A**
