

10.0 ATTACHMENT 10 - NOTICE OF INTENT TO FILE

In accordance with Maine Department of Environmental Protection (MEDEP) rules (Chapter 2), a public information meeting (PIM) was held on March 26, 2019 at the Hutchinson Center, 80 Belmont Avenue, Belfast, Maine between 6:00 and 9:00 pm. The meeting presented information on the Site Location of Development Act, Natural Resource Protection Act, Maine Pollutant Discharge Elimination System, and Minor New Source Air License permit applications which are being consolidated for review by the Board of Environmental Protection. MEDEP fact sheets regarding opportunities for public comment in the permitting process were made available to meeting attendees. The PIM was attended by approximately 300 members of the public, recorded by a public court reporter, and broadcast by Belfast Community Media. A meeting transcript is provided as **Appendix 10-A** and a video recording of the meeting is available on the City of Belfast website. Notice of the PIM was provided to abutting property owners and the municipalities of Belfast and Northport by certified mail and published in the local newspaper. See **Appendix 10-B** for a list of abutting property owners and **Appendix 10-C** for evidence of PIM notification.

A Notice of Intent to File (NOI) was published in the local newspaper on April 25, 2019 and sent by certified mail to project abutters and the City of Belfast. The City of Belfast was also provided with a duplicate of the entire Natural Resources Protection Act Application. The published NOI, certified mail receipts, and signed Public Notice Filing and Certification are provided as **Appendix 10-D**.
