April,

They have now done the notices so we can log the application back in. The last one was ATS 87932, the file is still in the new application folder so it just needs a new number.

Thank you!

Hi Jessica,

See attached Certified Mail receipts for our Abutter Notifications on the for the NOI of the Project Company Transfer.

Also, see attached newspaper circularization in the Bangor Daily News (bottom left hand corner).

I believe this, along with the application document sent previously, is everything we need to submit?

Thanks!

Great, thanks!

I'll just put "N/A" in that part of the newspaper section?
