

End Markets for Post-Consumer Paper Cups

FPI has assembled a list of US and Canadian end markets that have confirmed their acceptance of post-consumer poly-coated (i.e. PE-coated or PLA-coated) paper cups in commonly traded commodity bales. This listing is provided for reference only. Generators should contact end markets directly or via their broker to determine specifications and terms.

Mixed Paper Markets

The following mills purchase residential mixed paper bales containing paper cups. Some also accept other paper foodservice packaging.
