

Appendix D. List of Primary Industrial Categories

For more information on these categories see [40 CFR Chapter I, Subchapter N, Parts 405-471](#)

Adhesives and sealants	Aluminum forming
Auto and other laundries	Asbestos Manufacturing
Airport deicing	Battery manufacturing
Canned and Preserved Fruits and Vegetables and Preserved Seafood	Cement manufacturing
Carbon black manufacturing	Centralized waste treatment
Coal mining	Coil coating
Concentrated Animal Feeding Operations	Concentrated Aquatic Animal Production
Construction and development	Copper forming
Dairy	Dental office
Electrical and electronic components	Electroplating
Explosives manufacturing	Fertilizer manufacturing
Ferroalloy manufacturing	Foundries
Glass manufacturing	Grain Mills
Gum and wood chemicals	Hospital
Ink formulating	Inorganic chemicals manufacturing
Iron and steel manufacturing	Leather tanning and finishing
Landfills	Meat and poultry products
Mechanical products manufacturing	Metal finishing
Metal molding and forming	Metal powders
Metal products and machinery	Mineral mining
Nonferrous metals manufacturing	Oil and gas extraction
Organic chemicals manufacturing	Ore mining and dressing
Paint and ink formulation	Paint formulating
Paving and roofing	Pesticides
Petroleum refining	Pharmaceutical preparations
Phosphate manufacturing	Photographic equipment and supplies
Plastics molding and forming processing	Plastic and synthetic materials manufacturing
Porcelain enameling	Printing and publishing
Processing Sugar	Products
Pulp and paper mills	Rubber processing
Soap and detergent manufacturing	Steam electric power plants
Textile mills	Timber products
Transportation equipment cleaning	Waste combustors
