

Beyond the Basics
Acton
May 9, 2013

Acton Town Hall

“Beyond the Basics” is the workshop that used to be called Advanced Training, and it will include topics not covered in the basic skills workshops. Presentations will include History of Sewage Disposal, Alternatives to Conventional Treatment, Microbiology of Septic Systems, and Non-traditional Contaminants and Septic Systems.

There is a \$25.00 fee for this training, to cover the room and lunch.

The Division will grant 6.0 contact hours for Site Evaluators, Certified Installers, and Certified Inspectors for attendance. Contact the Department of Economic and Community Development at 207- 624-6219 for information on Local Plumbing Inspector contact hours.
