

Maine Center for Disease Control and Prevention  
**Monthly STD/HIV Data Update**

Cases diagnosed from May 1<sup>st</sup> to May 31st, 2015

This monthly update provides summary year-to-date (YTD) data about HIV and STDs in Maine. For each disease, the YTD total is shown and compared with the median\* YTD values for the last five years. Please note that data presented here may change due to reporting delays or pending epidemiologic investigations.

For more information call: 287-3747
