October 13, 2015

Dear Maine Vaccines For Children Providers,

Control Solutions in Texas has contacted the Maine Immunization Program to notify us that they are still receiving data loggers for recalibration. The Texas company is a fertilizer manufacturer, not a lab. Please **do not** send your data loggers to them.

The two laboratories listed below are NIST certified and able to recalibrate your data loggers. Please note that you want to send them to Control Solutions in Oregon, not Texas.

TMDE Calibration Labs, Inc.

839 North River Road
Richmond, ME 04357
Phone: 207-737-4493
Fax: 207-737-4868
Email: allen@tmde.com
