Meeting Minutes

MEETING NOTES: James Markiewicz chaired and facilitated the meeting.		
Agenda:	Discussion:	Actions/Resources:
Welcome and Introductions (Dr. Puthiery Va, Director)	Dr. Va welcomed SCC members and provided a briefing on the following items: • Equity in Public Health • Building Relationships with Tribal Health • Year in Review • Measles Response • Rural Health Transformation Program Work	• Maine CDC is looking at innovative actions in promoting and delivering public health services. • Navigating the changing federal recommendations and policies on vaccines. • Implementing the Maine CDC part of the RHTP funding opportunity.
Welcome (James Markiewicz) Approval of Minutes:	James welcomed the participants and reviewed the agenda. Approval of June 12, 2025 Minutes: • These minutes were tabled at the December meeting. • Denise Delorie made motion to approve minutes, and Sue Mackey Andrews seconded; All approved. Approval of September 18, 2025 Minutes: • Denise Delorie made motion to approve minutes, and Sue Mackey Andrews seconded; All approved. Member Profiles: Membership Committee will develop a profile for each member that will include name, affiliation, expertise, and public health knowledge. Member Introduction: New Agenda Item where members provide a more formal introduction. Joe Legee (next meeting), Julie Churchill, Kristen McAuley, and Jennifer Thompson.	Email: james.markiewicz@maine.gov All meeting minutes and materials are uploaded to the Statewide Coordinating Council website. https://www.maine.gov/dhhs/mecdc/about-us/commissions-review-panels/statewide-coordinating-council-for-public-health/meetings
Public Health Update: Federal and State	Rural Health Transformation Program • Maine will receive up to \$200 million per year and funding is for five years. • Maine CDC's focus will be population	RHTP: https://www.maine.gov/dhhs/ruralhealth

	health. This will focus on chronic disease prevention, behavioral health prevention, and data system improvements. • Focus on effectiveness of programs and efficiency of work and costs. • Implementation of some of the work is planned for public health districts. TMAH • Ten-year funding focused on transforming maternal health. • Utilization of midwives and doulas for supporting moms through pregnancy with better support for mental health. PRAMS • Pregnancy Risk Assessment Monitoring Program • US CDC PRAMS Program has lost all its staff. • States are searching for ways of supporting this work, including the pre-survey, survey, and analyses. • We should have a better idea by Spring 2026. March of Dimes Report • Go to website, click on map for Maine, and get Maine Report Card. Comments: • <i>PRAMS data has been very important to our region in the past to coalesce partners to collectively make needed improvements.</i> • <i>Data is important to community organizations working with schools on substance use, like the Drug Free Coalition Funding.</i>	TMAH: https://www.maine.gov/dhhs/oms/about-us/tmah-model PRAMS: https://www.maine.gov/dhhs/mecdc/data-reports/maternal-and-child-health/pregnancy-risk-assessment-monitoring-system-prams March of Dimes 2024 Report: https://www.marchofdimes.org/report-card
SCC 2025-2026 Work	Foundational Public Health Services and Capabilities • Overview of the Foundational Public Health Services and Capabilities as a new approach to the delivery of governmental public health services • For the discussion, we used the service Maternal and Child Health and then broke into three groups based on capabilities to give participants an introduction to	PHAB Background and Video on Foundational Public Health Services: The Foundational Public Health Services - Public Health Accreditation Board Permanent Commission on the Status of Racial, Indigenous, and Tribal Populations: Homepage

	thinking about the service and the capabilities and the strategic questions that could be asked. - The breakout sessions were first a means of acquainting members and then an introduction to the framework. Comments from discussion: <i>Expertise understanding available data, analyze and interpret data.</i> <i>Understanding the work of FQHCs can help with MCH infrastructure with the rural lack of birth facilities, lack of EMS/Ambulances, and lack of transportation.</i> <i>Role of doulas and midwives.</i> <i>Hazards of concern: lead, fluoride, PFAS, triggers for asthma.</i> <i>GIS data layers with MCH indicators could be useful.</i> <i>Permanent Commission on the Status of Racial, Indigenous, and Tribal Populations uses maps for proximity to health and maternal care.</i> <i>MCH outcomes intersect with child development.</i> <i>Economic development perspective would also be useful.</i> <i>ALICE data.</i>	PCRITP Perinatal Quality Collaboration for Maine: Home - PQC4ME ALICE: Maine UnitedForALICE
District Representative Report	Midcoast District (Knox, Lincoln, Sagadahoc, and Waldo Counties) - Lindsey O'Hara and Christine Lyman Aroostook District (Aroostook County) - Stacy Boucher	Presentations on SCC Meeting and Materials Website: https://www.maine.gov/dhhs/mecdc/about-us/commissions-review-panels/statewide-coordinating-council-for-public-health/meetings
Public Health and Health Services Block Grant	Nancy Birkhimer presented the final report for grant year 2024. Key Items: - Accreditation - Informatics and Epidemiology - Healthy People 2030	Presentations at SCC Website: https://www.maine.gov/dhhs/mecdc/about-us/commissions-review-panels/statewide-coordinating-council-for-public-health/meetings
