

**OCFS Provider Contract Performance Measures Report:
Outpatient Services Treatment Outcome Standard- 80% Do Not Access ITRT Within 1 Year of Discharge
(Includes MaineCare members and Courtesy Reviews done by APS)
01/01/2013 To 03/31/2013**

Report Source: Authorization data from APS CareConnection®

Definitions:

- **Courtesy Review** - APS completes courtesy reviews when a member is not MaineCare eligible at the time of admission, but is expected to be served using either MaineCare and/or state funds.
- **ITRT** - is an abbreviation for Intensive Residential Treatment. ITRTs provide residential treatment for youth under age 21 with mental illness or mental retardation or both. Crisis Units, Treatment Foster Care and Infant residential care are not included in the definition. In Maine, residential treatment is also called **PNMI**.
- **PNMI** stands for Private Non-Medical Institution (PNMI). PNMI provide food, shelter, personal care, and treatment services to four or more residents in single or scattered site facilities. PNMI services are not provided in medical settings such as hospitals or nursing homes. There are four types of child PNMI as follows: Mental Health Level I & Level II and Mental Retardation Level I & Level II.
- **Outpatient** - Outpatient therapy includes clinic based visits, individual therapy with a single clinician & group therapy.

What This Report Measures: The number of youth discharged from children outpatient services and whether or not they enter residential treatment within one year of discharge. Note that this report is about youth discharged from services over a year ago. This allows time to pass before assessing the outcomes of treatment. It includes the youth discharged from APS CareConnection system as well as the youth whose authorization for the service has expired.

Total number of youth discharged from Outpatient Services: 2,967

Total number of youth who did NOT enter residential treatment within 1 Year: 2,922

Percent of youth who did NOT enter residential treatment within 1 Year: 98%
