

Elect to Receive a 5010 835

Trading Partners must elect to receive a 5010 835. Trading Partners will receive a 4010 835 file, regardless of type of transaction submitted (4010 vs. 5010), **until both** the acceptance of 5010 transactions has been announced **and** the trading partner elects to receive a 5010 835.

To elect to receive a 5010 835, **providers** must:

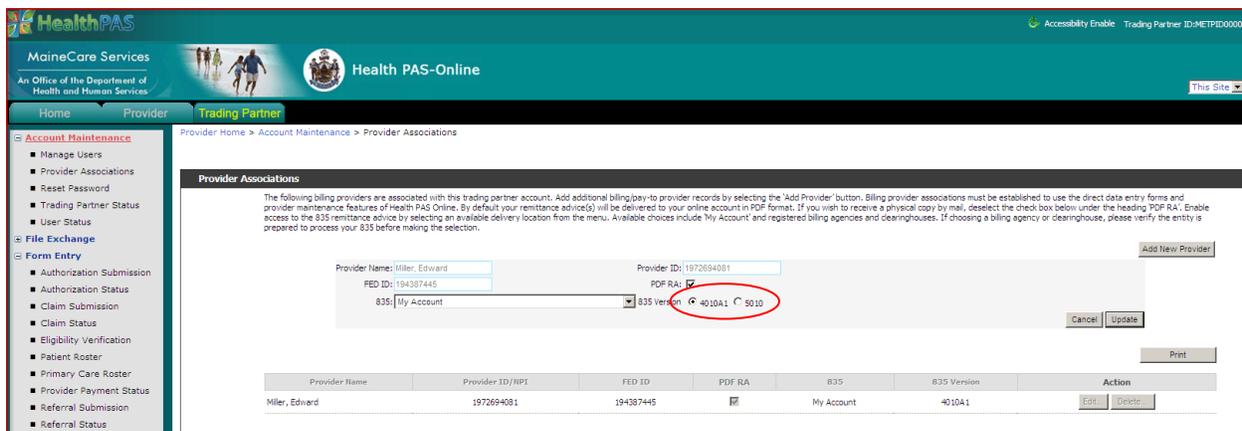

1. Log in to TP Provider account;
2. Click on “Provider Associations” button;
3. Click on the “Edit” button;

The screenshot shows the HealthPAS interface. The left sidebar has a menu with 'Provider Associations' highlighted. The main content area shows a table of provider associations. The 'Action' column for the first row (Miller, Edward) has 'Edit' and 'Delete' buttons circled in red.

Provider Name	Provider ID/NPI	FED ID	PDF RA	835	835 Version	Action
Miller, Edward	1972694081	194387445	<input checked="" type="checkbox"/>	My Account	4010A1	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

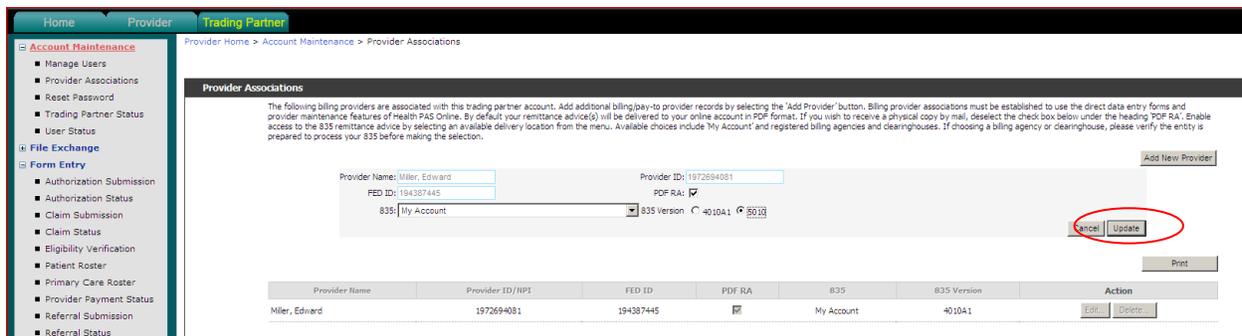

You will see two options for the 835 (4010A1 and 5010). By default, 4010 is selected.

The screenshot shows the 'Edit' form for a provider association. The '835 Version' dropdown menu is open, showing '4010A1' and '5010' options circled in red. The 'Update' button is also visible.

Provider Name	Provider ID/NPI	FED ID	PDF RA	835	835 Version	Action
Miller, Edward	1972694081	194387445	<input checked="" type="checkbox"/>	My Account	4010A1	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

4. To receive the 5010 835, select the radio button for the 5010 version and click on the “Update” button.

The screenshot shows the 'Update' form for a provider association. The '835 Version' dropdown menu is set to '5010'. The 'Update' button is circled in red.

Provider Name	Provider ID/NPI	FED ID	PDF RA	835	835 Version	Action
Miller, Edward	1972694081	194387445	<input checked="" type="checkbox"/>	My Account	5010	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

An 835 can be generated in only one version (either 5010 or 4010) per payment and cannot be re-created in the other version. Generation is based on the selection made on the provider's trading partner account at the time that 835 is generated, which is normally on Friday. This selection is not dependent upon the format submission of claims. For example, if providers submit 5010 files, they have the option of receiving 4010 or 5010 835 files until the current March 31, 2012 deadline.

MaineCare will not accept HIPAA Version 4010 transactions after March 31, 2012. After March 31, 2012, all trading partners will receive a 5010 835.
